

Gentlemen,  
Sinclair Broadcasting is clearly violating the law in  
it's decision to force their stations to air an anti-  
Kerry documentary days before the election. You,  
as the regulator must take action to halt this type of  
slanted news coverage BEFORE it occurs, not after  
the fact when the damage is done.... that is your  
clear duty.

Sinclair's actions show why we need to strengthen  
media ownership rules, not weaken them.
